Dear Fulton County Schools' Families:

We are thrilled to announce that we will offer MealpayPlus (www.mealpayplus.com) beginning January 1, 2010, a state-of-the-art online service that offers you the convenience and information you need to manage your student's meal account. This system will eliminate the need to send checks to school or worry about lost or forgotten lunch money, and speeds up serving lines in the cafeteria.

For a small program fee, MealpayPlus allows any family to:

- **Make a prepayment** into your student's meal account using a credit card, or debit card at www.mealpayplus.com. Funds deposited through MealpayPlus are usually available for student use within a matter of minutes.
- Create settings to **automatically replenish** your student's account when it reaches a low balance

We strongly encourage all parents (even if you do not prepay for your student's meal account) to create an account at no cost through www.mealpayplus.com. To create a new account, follow the onscreen directions and register your student using their Student ID number.
